

Susan Jefferies

I have lived in Corfe Mullen with my family for 25 years and was elected on to the Parish Council about 17 years ago.

I was elected Dorset County Councillor in 2004 and have continued on the County Council representing Corfe Mullen since then.

I love Corfe Mullen, our surroundings, our countryside, our friendly people and our long history.

I have tried to contribute as much as I can to this lovely varied village and have been involved in and am honoured to be Chair of the Sports Association, the Youth Trust, and the Beacon Hill Liaison Committee. I have also been Chair of the Parish Council in the past.
