The Main Hall

This large hall complete with stage is equipped with plenty of chairs and tables.

The hall can accommodate 250 seated theatre style and up to 170 seated at tables for functions.

The hall is particularly wide and with its high quality wooden floor works well for dances.

It has a fixed screen, projector and stereo speakers, CD/DVD player, microphone, assisted hearing system and stage lighting for performances or discos.

It has a roomy kitchen and informal lounge adjacent making this facility a mini complex in its own right.

The Small Hall

Ideal for small family gatherings, meetings or seminars, the Small Hall enjoys its own independent access. It has an integral kitchenette and full IT/multimedia facilities. Its capacity is 40 theatre-style and 20 seated at tables or informally. The Small Hall provides a pleasant environment away from the workplace for staff training.

It has double doors opening out onto a grassed area making it a popular choice for young children's parties.

The Lounge

This informal area is a useful additional space with wide inter-connecting doors to the main hall. It can also be hired independently and seats 20.
