ITEM 3 PARISH COUNCIL SOCIAL MEDIA PRESENCE

At its meeting on 28th May, the Council agreed to delegate to this Working Party the setting up of a trial social media presence. The Council suggested that a closed group might be the best option, with commenting switched off and asked that the Working Party compare and contrast this to other options. It also agreed that only members of staff should be administrators of the group.

The Working Party is therefore delegated to agree on which form of social media is appropriate for the trial and tasked with setting it up.

Full Council will discuss the success or otherwise of the trial when it meets in September.

For consideration and decision.

ITEM 4 LIVE STREAMING OF COUNCIL MEETINGS

Full Council also delegated to this Working Party to look at the pros and cons of live streaming of all council meetings and to research the practicalities and costs. Recommendations will then be made by the Working Party to Full Council.

For discussion.
