PUBLIC DISCUSSION PERIOD

There were no members of the public present.

1. Apologies for Absence

None received.

2. Approval of Minutes

The Minutes of the meeting held on 28th November 2017 were agreed.

3. Quotations for removal of hedge/fencing to rear of hall

This work would be the first stage in the planned improvements to the car park at the rear of the village hall. The plan is to remove the hedge and the old chicken wire fence behind it and replace with a fence. This will reclaim some ground which will enable the car park to then be re-tarmaced, with odd sections of grass removed, and marked out properly as a car park, to make it more usable and alleviate parking at the front of the hall.

In addition, there are several gaps in the chicken wire where residents have taken to using as a cut through, the fence will stop this and therefore increase security of the hall

Two quotes were considered, and members agreed to accept the Booker Construction Ltd quotation of £6560 + VAT.

4. Date and time of next meeting

The next meeting will be arranged when business dictates.

The meeting closed at 8.30pm.
