19/31 Planning Decisions Report

The report on recent planning decisions was noted.

19/32 Planning Applications

It was agreed that the following observations should be submitted to Dorset Council:

3/19/0837/HOU Applicant: Mr & Mrs Bolt Agent: Case Designs, Wimborne	Proposed Timber Summer House & retrospective application for new timber boundary fence to the South & West elevation. 40 Highfield Road No Objection
3/19/0758/FUL Applicant: Mrs V Cooper, Horton Agent: Symonds and Sampson, Wimborne	Erect agricultural building for livestock and machinery Land adj to Blandford Road Object for the following reasons: a) The appearance of the proposed building opposite a Grade 2 listed medieval church is totally out of keeping;

	<p>b) It is poorly positioned within the field leading to a detrimental visual impact on the surroundings;</p> <p>c) Both the overlarge structure and the hardstanding will have a detrimental impact on the green belt;</p> <p>d) The Parish Council does not consider that sufficient special circumstances have been demonstrated to justify a structure of this size and permanence for a relatively small herd of goats in the green belt;</p> <p>e) The access on to the A31 is at a particularly dangerous point and an increase in vehicle movements from activity in the field would exacerbate this.</p> <p>Additional comments: The Parish Council is concerned at the lack of planning enforcement. A container has been sited there for a long time and was on site well before any agricultural activity took place. A shed has been erected without planning permission. In addition, a motorhome and a caravan have been on site with the owners living there for over the 28 days allowed under planning legislation.</p>
3/19/0867/HOU Applicant: Mr J Flynn Agent: Mr N Beagan, Poole	Single storey side extension. Erect open porch to front. Modifications to doors and windows. 118 Springdale Road No Objection
